Honorary Sponsors Of The Provisional World Parliament

(While endorsing the aims and objectives of the Provisional World Parliament, Honorary Sponsors do not necessarily agree with all of the specific details of the acts, resolutions and memorials that the Parliament may adopt. Each Honorary Sponsor has earned a position of eminence within their respective fields of education, civil society and/or government. This list of 145 Honorary Sponsors has been in accumulative compilation for approximately twenty-five years. Many Sponsors may no longer hold the same positions with their respective government, civil society and/or university. Some listed Sponsors may have earned additional credentials that are not noted here. Some listed Honorary Sponsors are deceased.)
